Over the past week I have learned much about my Acree roots from the "Descendants of William Acree" genealogy written by Lisa Franklin that I discovered on a Covington County website. Then tonight I found your photo of Charles Erwin Acree - I have this same photograph, but thought he was another relative on my grandfather Lewis side.

My Grandmother was Gay Acree, before she married my grandfather, Arthur Lewis. They lived in Berrydale Florida - a suburb of Jay - and had three sons, Alfred James (A.J.), Felix (F.A.), and Franklin. Alfred was my father. My grandfather's Grandfather was William Lewis of Covington, Alabama in the 1850-60's. I will send you a listing of all I know of my family.

I remember my aunt Ada who married William Whitfield. They lived in Bagdad and their son, J.G. Whitfield, was one of the founder's of the Florida Boys Quartet. They were quite known around town as he drove an old model-T in the 1960's and they had a Chihuahua dog that rode up on the dash. I remember Rusten Acree and others.

The listing for Easter was a surprise. I had never seen a picture of her, but we have a quilt that my grandmother gave us that has EASTER embroidered on one of the blocks & I always assumed that Easter had helped her to make the quilt.

I have scans from some other old pictures that may also be Acree's. The original photographs are in the possession of my cousin in Jay Florida. I will try to email some of these to you on your AOL account.

I am James Lewis and we live in Richardson, Texas. My e-mail address is jlewis49@hotmail.com
